

February 15th, 2022

Greetings East Asheville Recreation Club members,

It is time to register for the summer season at the pool! As we gear up for additional registrations, we wanted to let you know that rates for this summer have increased slightly. This increase will offset a number of rising operating costs, most significantly a 300% increase in insurance rates in the past two years.

We hope this slight increase in Family Membership rates is not a hardship for you. Rates for Individual and 2-person Memberships have remained the same.

**Our Rates for the 2022 Season:**

Family Membership [1 or 2 Adult(s) w/ child(ren)]: \$535

2-Person Membership (2 Adult or Single Adult & 1 Child): \$380

Individual (1 Adult): \$275

The East Asheville Recreation Club membership still remains one of the best deals in town. A family joining the pool for the entire summer often costs less than sending two kids to a single week of day camp. Additionally, our season often extends past Labor Day if the weather allows.

We know that some of you have already completed the registration process for this summer and we thank you for that. *For those of you who are just starting to make summer plans, we will be contacting you in the next couple days with an email to update your family information and an invoice for this summer.* The registration deadline for current families is March 15. Please let us know if you will not be rejoining the pool so we can work through our waitlist.

We look forward to spending the summer with you and your family and are planning additional activities to enhance your enjoyment at our shared pool. Thank you for considering us as you make your summer plans.

Kindly,

East Asheville Recreation Club Board of Directors
